 - 1. Squads
 - 2. Squad Leaders
 - 3. Trapshooting terminology
- E. Components of a shotgun
- F. Components of a shotshell
- G. History of trapshooting

3. Student Participation

As the club has done for several years, the club will pick up the costs; the targets and ammo, to shoot the 10 week program.

- A. Students will be required to attend the full 10 weeks of shooting and instruction.
- B. Instruction begins at 6:00pm each Wednesday night.
- C. Students MUST show that they are mature enough and have the strength, to safely handle a firearm on the trap field.
- D. Please let your shooting coach know of any vacations. That week's shooting will either be shot the week prior to or, shot the following week after the vacation.
- E. Any shooter missing two or more weeks will no longer participate in the program.
- F. Students must wear appropriate clothing for shooting. No tank tops, short-shorts, or T-shirts with derogatory comments or pictures. Shoes must be worn at all times while at the club. Remember some nights may be quite cool, dress warm
- G. Rain days....The evening's shooting will be determined by 4:00pm that day. An additional week will be added at the end of the original ten weeks, if needed. If the weather looks "iffy", please call the club.
- H. All shooters will have a participation form filled out by a parent and school teacher.
 - 1. Students must have a passing grade in all subjects at school.

4. Equipment

- A. Northstar Sportsmens Club does have a limited amount of shotguns, ammo pouches, vests, ear protection, and shooting glasses for the program. Shooters will be squaded as to their needs if, the club's equipment needs to be shared. If the any students have any of the above, please bring it each night, the requirement for the shotgun must be 12ga or 20ga.
- B. Ammo will be provided.
